

A Multitude of Voices Sing **Music To Lift the Soul ... A Serenade**

WASHINGTON, DC -- Scores of singers from three choral groups will raise their voices to help people living with epidemic levels of HIV/AIDS at the 18th Concert for Life, *Music To Lift the Soul ... A Serenade* at 8 p.m. Friday, May 20 in the sanctuary of Foundry United Methodist Church, 1600 16th Street, NW.

The Foundry Choir and Concert for Life Orchestra will blend their talents with the Gay Men's Chorus of Washington and the Washington Performing Arts Society's Men, Women, and Children of the Gospel Choir. Directing this multitude of voices is Foundry's Music Director Stanley J. Thurston. DC saxophonist Davey Yarborough will be guest soloist and will perform his own composition, *Shout the Whisper*, an anthem for AIDS awareness, with choir and the audience.

The program of musical selections, to be detailed during April, are chosen to fill your heart, lift your soul, and open the mind to give and receive – give your support of our beneficiary's work and receive a blessing of inspirational music. You will not want to miss the finale – with all choirs singing together to cap off a stellar night! Watch this site for program listings.

This fun evening begins at 6:30 p.m. with a reception offered by Catering by Uptown and some of Foundry's most talented culinary artists. Now is the time to lend your voice as a concert sponsor, volunteer, or member of the audience.

Tickets are available now online at www.concertforlife.org.
